The virtual meeting of the Drupal Association Board of Directors opened on Wednesday, 16 March 2022 at 12:30 PM GMT.

In attendance: 10 current board members attended.

### Special Agenda

1. Update and consideration of board action on Ukraine.

### Minutes, motions, and actions

- ★ items denote motions.
- items denote follow-ups required.

Update on feedback gathered from our various stakeholder groups (staff, Core Committers, Community Working Group and Security Team) on a potential second statement on Ukraine (and the engagement process). While the exercise was useful as an experiment in stakeholder involvement, the consensus was the resolution under consideration did not add significant value beyond the statement already released by the Association. No motion was tabled.

### Close

The meeting was adjourned at 1:30pm GMT.

Respectfully submitted by Tiffany Farriss
