<b>Drupal.org Assets</b>	
Contribution Credits towards your Drupal.org marketplace rank	The <a href="#">Marketplace</a> is a listing of companies which provide Drupal-related services, hosting, or technology services. Your ranking and visibility of your organizational profile is based on 'contribution credits.' As a Supporting Partner, your organization is automatically granted a fixed amount of contribution credits towards your ranking based which level of partnership your organization is.
Featured Case Study on Drupal.org front page	The <a href="#">case studies</a> on Drupal.org highlight impressive websites and applications built using Drupal. The best ones encourage people to choose Drupal. As well as contributing to your contribution credits, case studies showcase your organization's work leading to potential business. This is your organization's chance to have your most impressive work featured on the heavily visited front page of Drupal.org and featured case studies section for a fixed amount of time.
Featured News Item on Drupal.org front page	The <a href="#">News Section</a> of Drupal.org is where the most relevant news items spanning across the various blogs are aggregated. From recent Drupal wins, important Drupal.org updates, to community news, this is how the community and Drupal evaluators stay informed on what's happening in the Drupal ecosystem. Here is your chance to have your organization's news item published on the <a href="#">Supporter Blog</a> and featured as the head news item on the front page of Drupal.org for the world to see!
Logo on Drupal.org Supporter Page	Your logo is displayed on the Drupal.org <a href="#">Supporting Partner</a> , <a href="#">Hosting Supporter</a> , or <a href="#">Technology Supporter</a> page.
