Thank you for considering our beautiful, new facility for your event. Your search for the quintessential convention destination and venue has come to an end.

The Ottawa Convention Centre, Canada's Meeting Place, offers an unparalleled location for international conventions. Situated in the downtown core of a G8 capital city, and with Canada's seat of government, the Parliament Buildings, acting as a backdrop, your delegates will enjoy a uniquely Canadian experience. The beautiful Rideau Canal, a UNESCO World Heritage Site, is right across the street; the ByWard Market offers unique shopping and entertainment options and is within a 5 minute walk, and just down the road is the National Gallery of Canada, and the Canadian Museum of Civilization. The City of Ottawa is relaxed and green, yet urban; sophisticated and cultured, yet approachable and safe. In short – a perfect location for an international convention.

Despite the distractions in the immediate vicinity, your delegates will want to linger at the plenary session since the Ottawa Convention Centre is as spectacular inside as it is outside. The configuration of our meeting space was planned in consultation with – and specifically for – convention planners. Our professional colleagues will guide you through the countless details involved with the planning and execution of your program, to ensure you meet and exceed all your objectives. And our cutting edge culinary team will impress you and your discerning international delegates with their “think global, eat local” approach to menu development.

I look forward to welcoming you to Canada's Meeting Place, where you are sure to find inspired people creating extraordinary events.

Sincerely,
Patrick Kelly
President
