

MoceanSMS Order Notification Module

MoceanSMS Order Notification module allows users to configure SMS notifications for Drupal Commerce by using MoceanAPI service.

Installation

To install, go to Extend and click install new module, choose to install from URL or upload the module zip file. After installation, enable the module in Extend.

Install new module ☆

[Home](#) » [Administration](#) » [Extend](#)

You can find [modules](#) and [themes](#) on [drupal.org](#). The following file extensions are supported: *tar* *tgz* *gz* *bz2* *zip*.

Install from a URL

For example: <https://ftp.drupal.org/files/projects/name.tar.gz>

Or

Upload a module or theme archive to install

 mocean_sms_broadcast.zip

For example: *name.tar.gz* from your local computer

Install

Requirements

Users are required to configure a telephone field at Administration > Configuration > People > Account settings > Manage fields:

Add field ☆

[Home](#) » [Administration](#) » [Configuration](#) » [People](#) » [Account settings](#) » [Manage fields](#)

Add a new field

Telephone number ▼

Label *

Phone Machine name: field_phone [Edit]

Save and continue

[Telephone Validation](#) is recommended to ensure phone numbers are in correct format. After installation, it can be enable through Edit in Manage Fields as shown below:

Manage fields ☆

Settings

Manage fields

Manage form display

Manage display

[Home](#) » [Administration](#) » [Configuration](#) » [People](#) » [Account settings](#)

This form lets administrators add and edit fields for storing user data.

+ Add field

LABEL	MACHINE NAME	FIELD TYPE	OPERATIONS
Phone	field_phone	Telephone number	Edit ▼
Picture	field_picture	Image	Edit ▼

Configuration

In the configuration page, users can configure their API key, API secret and sender name. To register for an account, go to <https://dashboard.moceanapi.com/>. The machine name for the telephone field configured in requirements is also inputted here:

▼ MOCEANSMS SETTINGS

Credit Balance: EUR 16

API key and secret can be found at <https://dashboard.moceanapi.com/>.

API Key *

Your MoceanSMS API key.

API Secret *

Your MoceanSMS API secret.

Message From *

Sender of the SMS when the message is received at a mobile phone.

Machine Name of Telephone Field *

Check for Manage Fields in Account Settings.

Save configuration

Sending Notification SMS

This module sends SMS to notify your customers regarding their order when order events are triggered by Drupal Commerce. There are three events available: order complete, order ready to be shipped and order shipped.

Order complete event

The content for the SMS to be sent on order complete event can be edited in checkout flows, navigation path shown as below:

[Home](#) » [Administration](#) » [Commerce](#) » [Configuration](#) » [Checkout flows](#)

This function can be enabled or disabled by moving the pane to the required position.

Disabled

Shipping information Hide shipping costs until an address is entered: Yes

Completion SMS

Content

Your order with order number {order_number} is completed.

Update Cancel

Save Delete

Order ready to be shipped and order shipped event

The content for the SMS to be sent on order ready to be shipped and order shipped event can be edited in configuration, navigation path shown as below:

[Home](#) » [Administration](#) » [Configuration](#)

Manage content of SMS to be sent on shipping events.

Ready for shipping

Shipped

Enable

Content

Your order with order number {order_number} is ready to be shipped. The tracking code is {tracking_code}.

Save

Once enabled, SMS will be sent to customers as notification when 'Finalize shipment' is clicked for an order ready to be shipped event.

[Home](#) » [Administration](#) » [Commerce](#) » [Orders](#) » 2

✓ Shipment for order 2 created.

+ Add shipment

TITLE	AMOUNT	TRACKING CODE	STATE
Shipping	MYR5.00	1234	<button>Finalize shipment</button> <button>Cancel shipment</button>

SMS will also be sent to customers as notification when 'Send shipment' is clicked for an order shipped event.

[Home](#) » [Administration](#) » [Commerce](#) » [Orders](#) » 2

[+ Add shipment](#)

TITLE	AMOUNT	TRACKING CODE	STATE
Shipping	MYR5.00	1234	Send shipment Cancel shipment
