Owner Selfstart.com, Owner Innovative Digital Imaging Inc

Description of what you do

Supervise and co-ordinate staff in the planning, design, installation, administration, support and maintenance of the Corporation's enterprise wide web portal technical environment. Develop and recommend standards for the portal, including Sharepoint, inter/intranet access, local and wide area networks, windows operating systems, web server management and other related technologies to ensure a reliable and cost effective service.

My Areas of Expertise
