

Windows Internet Explorer browser window showing the 'Repository on Child Health' website. The address bar displays 'http://localhost/drupal/?q=node/104'. The browser's Favorites bar includes 'Gmail - Inbox (5295) - anil...' and 'About the Repository | ...'. The website header features the logo and title 'Repository on Child Health' with a search bar. A navigation menu includes 'Home', 'Contact us', 'FAQ', and 'Recent posts'. A red banner reads 'Welcome to the Digital Repository of National Child Health Resource Centre'. The main content area is titled 'About the Repository' with sub-sections for 'Background' and 'Goal'. The 'Background' section includes a photograph of children and text describing the repository's purpose. The right sidebar contains search and navigation options: 'Keyword search', 'Guided search', 'Content type' (listing categories like Book page, Diseases, Document, Image, Immunization, Miscellaneous, Nutrition, Story), 'Date authored' (listing years like 2010, 2009), and 'Related categories'. The footer shows 'Local intranet | Protected Mode: Off' and a zoom level of 110%.

**Comment [Am1]:** This is the Admin page, in which all editing options are there

Windows Internet Explorer browser window showing a Drupal page titled "About the Repository". The address bar shows the URL: <http://localhost/drupal/?q=node/104>. The page content includes a navigation menu (Home, Contact us, FAQ, Recent posts), a welcome message, and a main section titled "About the Repository" with a "View" and "Edit" button. The "Edit" button is highlighted with a red box and an arrow pointing to a comment. The page also features a "Background" section with a photo of children, a "Goal" section, and a "Target audience" section. The footer shows the URL <http://motherchildnutrition.org/>.

**Comment [Am2]:** This is the anonymous user page in which "Edit" option is available
