### 1. Exposed views filters

This is a view

### 2. Search results in a table w/ sortable headers

### 3. Social links

This functionality doesn't exist yet but is being discussed in <http://drupal.org/node/1004554>

### 4. Recent contacts (doesn't exist)

### 5. Recent forum (discussion) posts

### 6. Attend page is a view of Nodequeue

The main content from several nodes are combined to create an overview page, with links to the full node

### 7. Sponsors logos

These will be on all pages. I can provide more detail if needed.
