Submit a session

1. Program overview (Panels)

This is a node

2. Blocks relevant to the section

3. News/twitter blocks

4. Submit session call to action

5. Register call to action

Changes to "thanks for registering" or something when user is authenticated and has registered

6. User info

Options are:

- 1) Log in or register/logged in as [username]
- 2) You are [not] signed up
- 3) Propose a session/Your proposed sessions
- 4) Your schedule

7. Featured speakers

Preselected speakers, such as curated sessions and keynotes/plenaries. Once additional speakers have been chosen, this can shrink to 3 featured plus the regular speakers below.

8. Proposed sessions?
